were our goal.

Food, fun, and frolic for the entire family was enjoyed by everyone attending the fourth annual Winter Carnival which was held on Thursday night, February 11. This year's carnival again was an all-school project sponsored by the Student Council.

The evening was spent enjoying "Blue Hawaii", the senior show; "Musical Myth", the junior show; "Where Is My Wandering Boy Tonight?", Proscenium Player's "meller-drammer" and many other shows, games, and concessions.

Coronation of the king and queen high-lighted the evening as Morris Deckard and Patty Myers, sophomores, were crowned.

Approximately $1,000.00 net profit was made from the carnival which will be used for new trophy cases in the boys' gym, for display boards in the front hall, and other improvements at B.H.S.

Student Council

An organization which enables the student body to have a voice in making and enforcing school policies is the Student Council. Some of the objectives of this group include maintaining cooperation between teachers and students, acting as hosts to visitors, assisting in raising money for school activities, training students in leadership, and attempting to maintain a satisfactory school spirit.

Two students are elected from each of the home rooms to act as representatives. From that group the officers plus an elected student from each grade level make up the Executive Committee of the council. Besides working on special projects and helping with community and national drives, the Student Council supervises the election of the yell leaders, conducts school clean-up and courtesy drives, provides hall monitors for noon period supervision, sponsors many of the after-game dances, provides student representation for faculty committees, and performs any and all functions that will help B.H.S. The annual Winter Carnival was sponsored for the fourth year by the council to raise funds for worthwhile school improvements. The climax of a most progressive year was the annual all-school dance which was held this spring.

Those students who served on the Executive Committee this year included David Davies, Dan Weaver, Ladonna Higgins, Janice Thrasher, Charles Parrott, Gary Gooldy, Pat Trueblood, Charles Miller, Paddy Engle, Linda Hash, and David Williams. Mr. Edward H. Cuddy is the Student Council adviser.

Blue Triangle

An organization with membership limited to junior and senior girls in Bloomington High School is the Blue Triangle. It is a branch of the Young Women's Christian Association. The purpose of this club is to promote friendship, service, and religious interests.

The Blue Triangle Chorus, under the direction of the sponsor, Mrs. Sarah Franklin, presented "The Good Shepherd" for the Parent-Teacher Association, and for the members of Blue Tri. One of the most impressive programs was the initiation ceremony which was held at the beginning of the first semester. Other programs consisted of a play on friendship, guest speakers from the Indiana University branch of the Y.W. C.A., and Christmas music given by members of the Blue Tri. The new officers of 1954-55 were installed at a meeting near the end of school. The profits from the Blue Tri Bazaar Booth were the club's contribution to the Winter Carnival.

Each year at commencement the club awards a scholarship to an outstanding senior member who has been prominent in the club's activities. The scholarship pays one semester's fees to Indiana University. This project is financed by the candy table which is set up in the front hall after school. The candy table is under the supervision of the service chairman. A service award plaque is presented to an outstanding member at the May meeting. This award is based on the following points: service given to the club, dependability, attitude, cooperation, observation, practice and exemplification of the goals.

The cabinet members who planned the functions of the club were Ann Bissey, president; Anice Deal and Wilma Sanders, vice presidents; Alice Rogers, secretary; Ellen Lehman, treasurer; Jane Babb, social chairman; Jo Ann Hall, publicity chairman; Jayma Van Hook, service chairman; and Patty Schwab, pianist.

Officers were Carol Babb, president; Dixie Robbins, vice president; Marilyn Smith, secretary; and Becky Bryant, treasurer. The club sponsor is Miss Helen McAninch.

Junior Girl Reserves

"Upward and Onward" signifies the high aims of all Jr. Girl Reserves. This year at the Winter Carnival, club members sponsored a coat-check booth.

This organization is open to all eighth grade girls and is a branch of the Y.W.C.A.

Officers of the club were Gloria Stillions, president; Glenda Bruner, vice president; Suellen Swaim, secretary; and Martha Brown, treasurer. The sponsor of the club is Mrs. Jeanne Hooker.

Junior Girl Reserves

"Gracious in Manner, Impartial in Judgment, Ready for Service, Loyal to Friends, Reaching Toward the Best, Earnest in Purpose, Seeing the Beautiful, Eager for Knowledge, Reverant to God, Victorious over Self, Ever Dependable, Sincere at all times." This is the Junior Girl Reserves' code. The object of the Jr. Girl Reserves is to round-out every club member's personality, both spiritually and socially.

This year in the social vein the girls had a dance to which they invited guests. At the Winter Carnival, club members sponsored a coat-check booth. In connection with National Brotherhood Week, a Japanese lady spoke to the club about life in Japan.

Officers of the club were Kathy Rollins, president; Melinda Baganz, vice president; Marian Pressler, treasurer; and Evelyn Whaley, secretary. The sponsor of the club is Mrs. Frances Atkins.

Junior-Senior Hi-Y

To create, maintain, and extend throughout the home, school, and community, high standards of Christian character is the purpose to which a junior or senior boy pledges himself when becoming a member of the Hi-Y.

The club has had numerous activities this year which included sending Hi-Y boys to conferences and a training camp. A mythical mile of pennies was collected to buy Christmas gifts for needy families. Christmas devotions were also sponsored by the Hi-Y. Discussions were the main topics for the club meetings.

The officers this year were David Davies, president; Gary Alexander, vice president; John Chambers, secretary-treasurer; Bill Williamson, sergeant-at-arms; and Harold (Skip) Harrell, chaplain. The sponsor of this club is Mr. Earl Henderson.

Freshman-Sophomore Hi-Y

Any ninth or tenth grade boy is eligible to become a member of the Freshmen-Sophomore Hi-Y. On becoming a member a boy must earn enough points by taking part in meetings, helping out in Gray-Y work, and attending church to keep his membership in this club.

Some of the activities for this year were the giving of a basket of food to a needy family during Christmas, devotions for the Parent-Teacher Association, a game room for the Winter Carnival, and cleaning the trophies in the trophy case. One of the highlights of the year was a social dance open to the Freshmen-Sophomore Hi-Y members and their dates.

The officers were Don Rush, president; Jerry Tardy, vice president; and Tony McMillan, secretary-treasurer. This year Mr. Russell Hamm is the sponsor of this club.

Jr. Red Cross

A boy representative and a girl representative from each grade level compose the Junior Red Cross Council. The council's activities this year included a dance and a cotton candy booth at the Bloomington High School Winter Carnival. The Junior Red Cross Council is sponsored by Miss Eloise Glazner.

P. A. Staff

One of the many service clubs at B.H.S. is the Public Address Staff. This club makes possible the operation of the public address system for pep sessions, convocations, and social functions of the school. It would be difficult for our school to enjoy these advantages without the aid of this organization.

The membership is limited to senior division boys. Mr. William Voorhies, the sponsor, directs the group and is assisted by Bob Strain, head of the staff.

Projectionists' Club

An educational audio-visual aid program is made possible at Bloomington High School by the Projectionists Club. Membership is limited to twenty-one members, so that three boys will be on hand each period to run the projectors.

Allan Howard and Robert Gotwals assisted Mr. Leon Whaley, the sponsor, in training the boys to run the projectors, mend broken film, and move the heavy equipment. Bill Tatum and Robert Gotwals were the chief projectionists.

Future Teachers

To provide young people with specific information about opportunities in various fields of education is the main purpose of the Future Teachers. Outside speakers were present at the meetings to talk and answer questions on teaching. One of the main activities of the year was the banquet for the senior members of the club. Officers of the club this year were Jayma Van Hook, president; Sharon Livingston, vice president; Shirlee Chandler, secretary; Jane Babb, treasurer; and Miss Merle Gilstrap, sponsor.

Aviation Club

Actual flying activity is enjoyed by members of the Aviation Club when they visit Kister's Field each year. Two outstanding programs for this group consisted of a guest speaker, Major Wolfe of the Indiana University R.O.T.C. Air Force, and a movie, "Survival Under Atomic Attack." Officers of this club were David Adams, president; Ruth Skirvin, vice president; and Marcia Wiley, secretary-treasurer. Mr. H. D. McAdams sponsors this group.

Band "A"

"Who won first chair?" is a familiar question heard during the band period after a challenge determining who is the best player in each section. Certain requirements of musical ability must be met for enrollment in band, which this year was composed of eighty members.

In the fall the band performed on the field at home football games. Many hours of practice were needed to make the half-time show letter perfect. The band made the trip to the football game at Terre Haute Wiley on October 15. It played at all home basketball games and provided music for all pep sessions. The band was in

Band "B"

The playing of familiar marches is often heard by people who pass the Seminary Building after school. The "B" band holds many practices after school since they meet only two or three times a week as a class.

The "B" band is a feeder organization for the "A" band, or senior high band. The band composed of younger students was established for the purpose of developing the student's musical knowledge and abilities. It had fifty members this year. The members are almost all seventh and eighth graders, but there are a few senior high students in the band. Challenges, which determine the most

The activities this year included "pops" concerts, a party with the band, and a Christmas party during the regular class period. Some of the other activities were providing music for the night performances of the two three-act plays, arranging and presenting music for a radio show, participating in the Spring Festival, and combining with the University High School Orchestra in presenting music for the Baccalaureate Service.

If one passes the Seminary Building during the second and third periods on Mondays or Wednesdays, the String Orchestra can be heard rehearsing. In addition to regular class meetings, students are given the opportunity to practice once a week after school in order to further their technical development and experience playing in small ensemble groups. These string classes function primarily as training groups. After receiving two years of instruction in the grade schools, two more years at the junior high level enables them to meet the requirements for entrance into the High School Orchestra.

"Pops" concerts and participation in the annual Spring Festival make up the activities of the group. When planning these programs, the numbers to be played are prepared separately by the classes and then rehearsed together in one or two special after-school sessions before the performances. The organization is directed by Mr. Donald Neal.

Junior division students may belong to the Junior Glee Club after having tried out for the sponsor. This organization offers an opportunity for group singing.

Girls interested in singing and in training for the choir may become members of the girls' chorus. This group often sings for public performances.

The membership of the choir has increased since the first semester. Their activities included singing for the Christmas and United Nations Day convocations, and singing at Baccalaureate and Commencement. In April they participated in the District Choral Festival at Bedford.

Since the Madrigal Singers' picture has been taken, a new member, Bill Sciscoe, bass, has been added to the group.

The Madrigal group sang for the D.A.R. Dinner, the Curry Buick Company's Christmas Dinner, Christmas Convocation, Kiwanis Club and the American Legion Auxiliary. The vocal music at Bloomington High School is under the direction of Miss Helen Schwend.

Found in this bi-weekly are news items of interest to B.H.S. students such as news and sports articles, humorous features, exchange columns, and editorials. A cub reporter class taught by JoAnn Hall and Doyle Winter was held to train young apprentice reporters. Yell Leaders

"Fight 'em team! Fight 'em!" are familiar words heard during the B.H.S. basketball and football games. These yells and many others are led by the varsity cheerleaders at all home and some away games.

Pep, rhythm, and co-ordination are several characteristics of a good cheerleader. They should also have a pleasing personality and be fairly popular with the students. Cheerleaders for B.H.S. are elected by the student body. Mrs. Valerie Pruitt is the sponsor.

Girl Ushers

Giving dependable service is the responsibility of all Girl Ushers. Each year approximately thirty junior and senior girls are chosen on the basis of character, personality, dependability, and courtesy. The Girl Ushers direct spectators to their assigned seats at all home basketball games and tournaments. Being a member of this club is not only an honor, but another worth-while service that a girl may render to her school. The club sponsor is Miss Lucile Swift.

Baseball

Many seniors composed what seemed to be the strongest baseball team ever to represent B.H.S. This 1953 team compiled ten victories against two defeats, which is the best record in recent B.H.S. baseball history. Some of the high-lights of the season came in the defeat of Columbus High School which had not been beaten all season by any other Indiana team, and the come-back victory over Huntingburg which at the first of the season had beaten B.H.S. 2-1 on the Huntingburg field. Returning lettermen include **Tom Deckard** starting pitcher in his third year at this postion. He is expected to become one of the finest high school pitchers in southern Indiana if he recovers from a broken ankle. **Gary Gooldy** was a fine competitor and a hard worker. For the first time, a reserve team was started and it had an impressive victory over Spencer. The Reserve team has had many games scheduled during the 1954 season, and it aims to give the boys some experience before they reach the Varsity team.

B-MEN

An organization open to all boys who are awarded major letters in the high school's athletic program is the B-Men's Club. The sports offered at Bloomington High School are football, cross country, basketball, wrestling, track, golf, baseball, and tennis.

All new members must be formally initiated in one of the several ceremonies held each year; also the boys shine shoes, open the doors for the students and faculty, and salute all B-Men. After initiation, the boys are presented with the official symbol of the club, the B-pin.

The purposes of this organization are to develop student interest in athletics, to promote good feeling among athletes of all sports, and to create acceptable mental, physical, and moral attitudes toward opponents, fellow students, and our school.

A tradition in the B-Men's Club is a Parent-Son banquet which is held after the end of each season. The boy who is voted by his teammates of each team as the most valuable member of that team is given the B-Men's trophy.

The officers of the club were Bill Williamson, president; Danny Weaver, vice president; Joe Parrott, secretary; and Tom Deckard, treasurer. Mr. Laverne Burns is the sponsor of the club.

"Smiling Sophomores will play the Jolly Juniors" or something to that effect is heard frequently during the school year to remind members of the Girls' Athletic Association that their team is going to play. Membership in G.A.A. is open automatically to any girl participating in any of the various sports. Some of the sports that are offered include speedball, soccer, volleyball, basketball, bowling, swimming, and softball.

These points are totaled and in the spring at the Awards Banquet she may receive one or more awards.

The G.A.A. is sponsored by Miss Lucille Swift and is governed by an executive board consisting of girls elected by the members of the club. The school year 1953-54 brought many changes to B.H.S. With an enrollment now of approximately 1,850 students, both teachers and students were kept busier than ever and had a much tighter schedule.

Three forty-five minute lunch periods was a big change noticed by everyone. Some students found themselves arriving at school earlier than in previous years for a 7:30 class while others went home later after a 3:30 class. Since many clubs meet at the same time, students had to decide in which clubs they were really interested.

The warmth and fellowship of doing things together, the pride of an accomplishment well done, and the friendly, helpful attitude of our teachers did not change and for this we are thankful. We sincerely hope these will never change.

Members of the Student Council Executive Committee pictured on the opposite page are: Linda Hash, Paddy Engle, Gary Gooldy, Mr. Cuddy, Charles Miller, Pat Trueblood, and David Williams.

Senior Class Meeting

SENIOR CLASS OFFICERS

Row 1—Don Deal, Alice Rogers, Joe Parrott, Ted Thickstun, Mrs. Krueger, Mr. Stewart, Martin Sweet, Jane Babb.

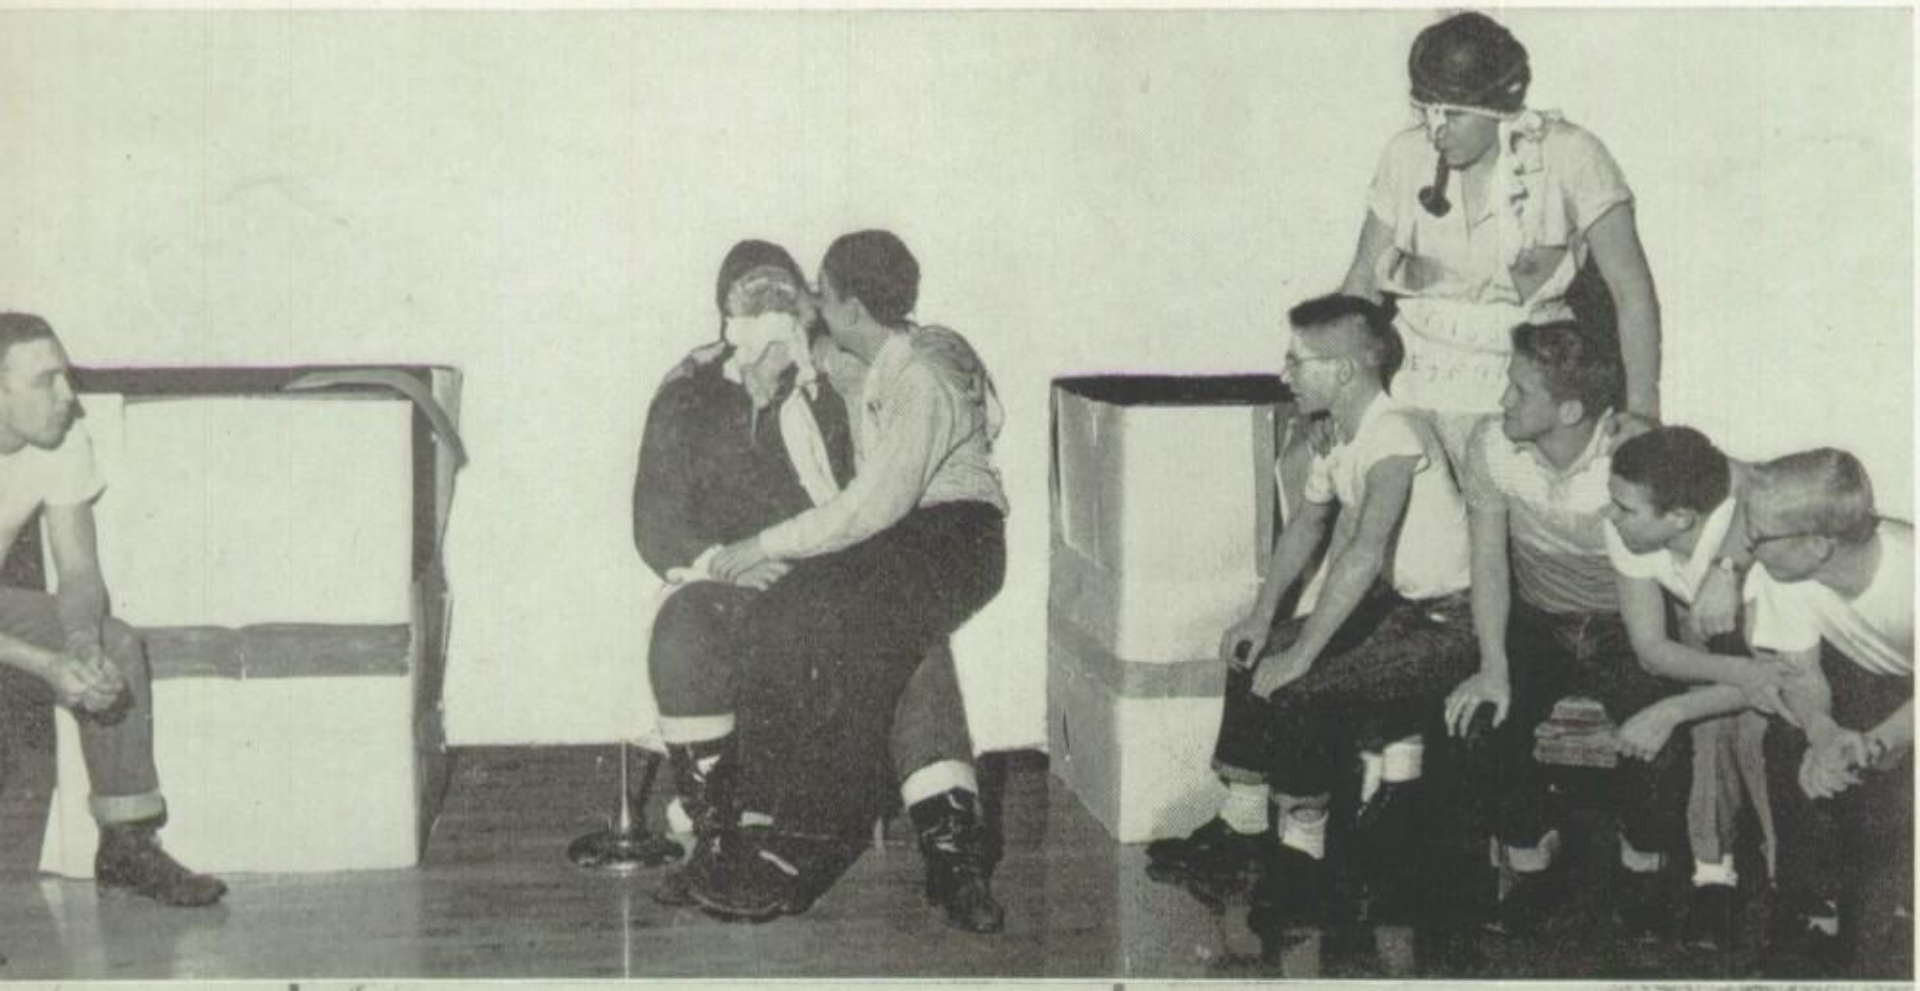
Basketball Pep Session

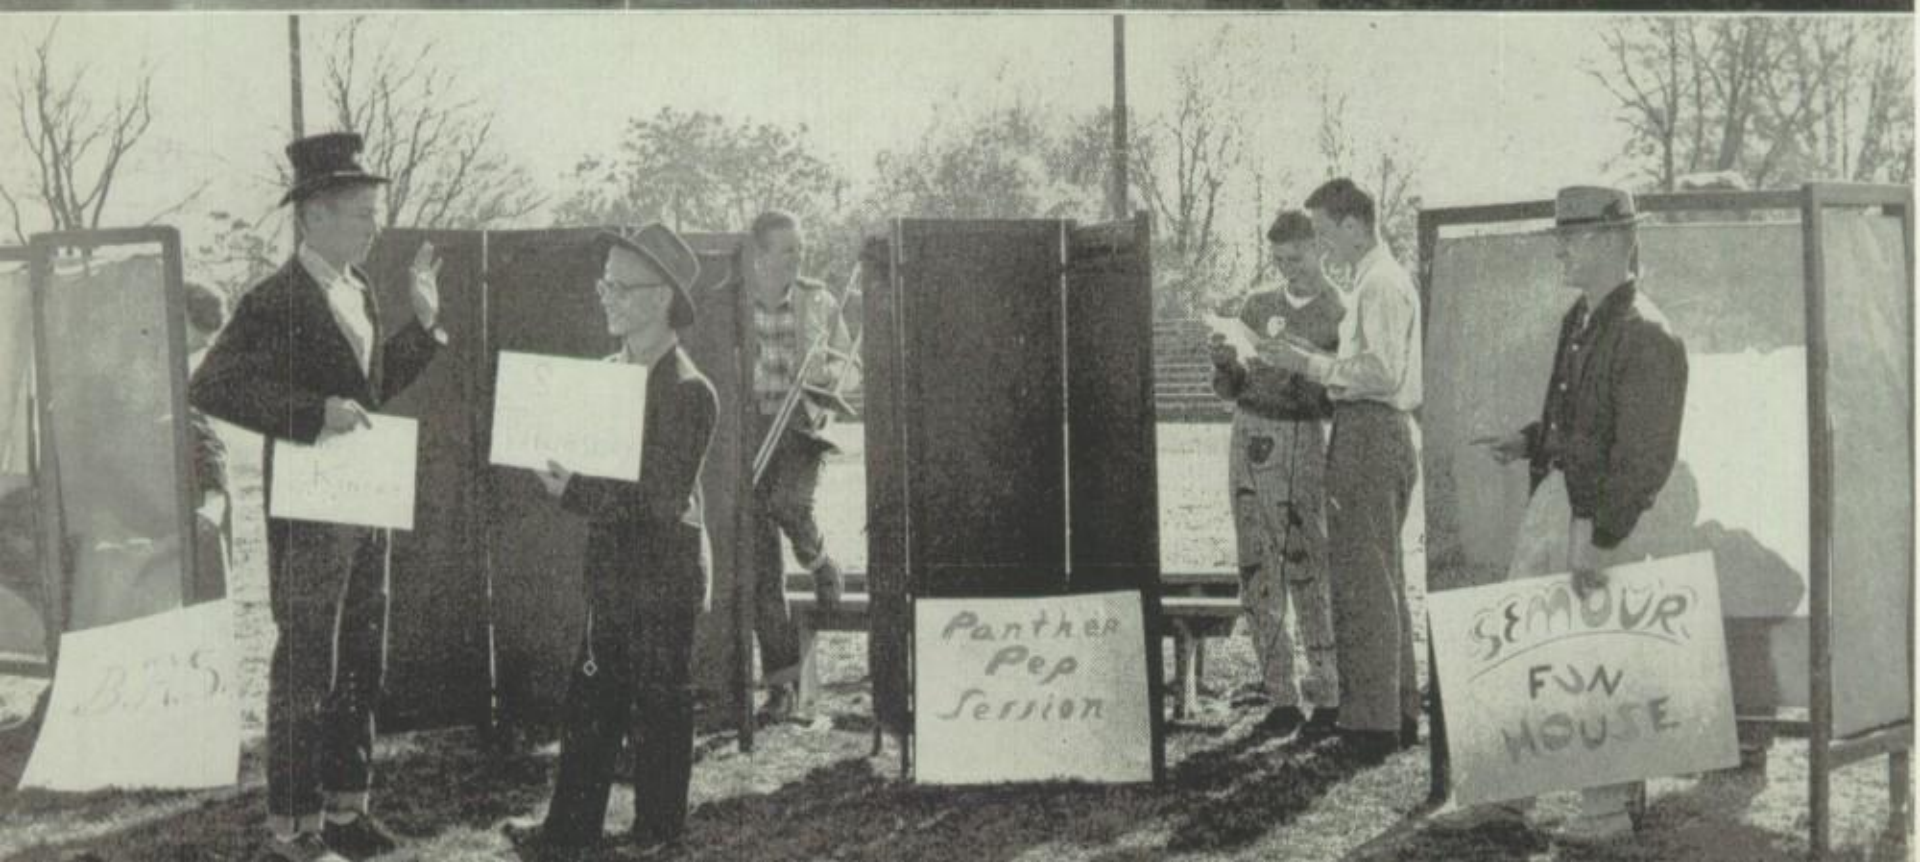
The team members of University High School and Bloomington High School got a chance to climb on Santa's knee and tell him what they wanted for Christmas at our second senior pep session. Santa Claus listened very sympathetically to their pleas and reassured them.

At the end of the pep session their presents were opened and the B.H.S package contained "Miss Victory" while the U.H.S. package contained "Miss Defeat",

Football Pep Session

Our first senior pep session was held before the football game with the Seymour Owls last fall. We worked out a plot to "Dragnet". With the help of such famous celebrities as "Dr. Kinsey", "Sergeant Thursday", "Mr. John Goofinoff", and "The Seymour Owl", the plot became very exciting. Mae Jane MacAllister, Karen Wampler, Richard Martin, and Bob Strain added to the plot by making the "facts" clearer.





Senior Class Party

On November 10, we seniors gathered in the girls' gym for loads of fun and plenty of entertainment. The eventful evening included square dancing called by Robert Abbuehl, and various games and contests directed by Joe Parrott, master of ceremonies for the evening. Midway through the party we were entertained by a group of girls singing popular songs, a humorous pantomine by Karen Emmons and Don Hooge, and the skit "Little Blue Riding Hood" by a group of senior boys. Joe Moser entertained with selections on the piano.

After more square dancing and games, refreshments of ice cream, donuts, and chocolate milk were served. The door prize, a door knocker and box of candy, went to the lucky winner, John Frazier.

Junior Prom

On May 8th we presented "Dutch Polonaise", our Junior Prom in honor of the Class of 1953.

Upon entering amid an array of gorgeous varicolored tulips and windmills we danced under a woven sky of azure blue to the music of Ray Boyer. Scattered throughout the "garden" were colorful tulips and streaming fountains. In one corner was the traditional windmill of Holland.

Charles Franklin and Judy Mood were crowned king and queen by last year's royal couple, Harold Isaacs and Frieda Young, in the large wooden shoe that adorned the stage. The Class of 1953 presented Queen Judy with a dozen red roses and the bracelet which is passed down from year to year. During intermission, entertainment was furnished by talented class members.

Royal Candidates

Junior Class

"Who are you nominating for president?" and "Vote for this candidate!" were two of many such terms heard in November when the juniors were experiencing for the first time the thrill of electing class officers. Officers elected were Ronnie Drake, president; Jerry Adams, vice president; Patty Trueblood, secretary; and Bonita Willeford, treasurer. The sponsors are Mrs. Mary Forgy and Mr. John Jones.

One of the first activities of the year was selecting and ordering class rings. Other activities included a football pep session, a class party, a basketball pep session, and the annual Junior-Senior Prom.

Good luck and best wishes to a sweet and nice girl.
Carol L. Creed

Our Heartfelt Thanks To:

Mr. J. W. Stradling, Mr. Paul Vonderschmidt and the boys in the printing classes for printing the 1954 Gothic.

Mr. Herman Mackey of the Varsity Studios in Bloomington, for all of the kindness shown in taking our senior portraits.

Byron C. Nash Studios of Franklin, Indiana, who exercised their utmost patience in giving us club and activity pictures.

Indiana School Pictures of Indianapolis, Indiana, for the best in underclass pictures.

The many **Local Advertisers** who helped make the 1954 Gothic possible.

The Becktold Co. of St. Louis, Missouri, for supplying us with ideal covers designed by **Gary Alexander** of the 1954 Gothic staff.

Mr. Larry Wells of the Indianapolis Engraving Co. for his patient and valuable help and advice on any problems we had.

Eddie Goheen, a student here at B.H.S. for his very fine sketch of our main building shown on page one.

Miss Lucile Coffey for all of her willingness to help and give advice which we so needed.

Mr. William Gosser for his help in snapping many different pictures here at B.H.S.

Mr. Charles Bundy for his untiring, never-ending work, the many long hours spent with the staff in making this book a success, and for being the most wonderful adviser the 1954 Gothic staff could have had.
